

CHATEAU PATACHE D'AUX: PARTNER OF THE LONGINES MASTER INTERNATIONAL SHOW

Antoine Moueix Propriétés has been a partner of the Longines Masters international show jumping events for ten years. This Bordeaux company, belonging to Advini, is again participating in this year's event at the Asiaworld Expo in Hong Kong from 15 to 17 February.

With exclusivity in the wines on offer throughout this premium event, organised by Belgian firm EEM (CEO: Christophe Ameuw), this sponsoring provides us with excellent visibility. "Château Patache d'Aux – Médoc cru bourgeois is our flagship estate in this partnership, one at which we host our clients and some journalists" – says Thibaut de la Haye, General Manager of Antoine Moueix Propriétés.

At the Prestige Village, as well as in the box seats and EEM VIP areas, guests will enjoy several different wines from the Bordeaux firm, alongside Champagne brand Mumm. Maserati and Baccarat are among the famous official sponsors.

Michelin-star quality cuisine - a prestigious choice by Longines Masters - will be French-inspired, with young Hong Kong chef Hilda Chan at the helm. A disciple of Asia's Escoffier school, Hilda Chan recently worked in the kitchens at the Elysée alongside chef and

MOF (Meilleur Ouvrier de France), Guillaume Gomez. The menus on offer at the EEM Society have been carefully paired with the wines by this ambassador of French gastronomy: "French food and French wine together is heaven on earth! Wine pairing is like a meal enhancer, and Antoine Moueix Propriétés wines did magic in bringing out the best in my dishes!" she says.

About Antoine Moueix Propriétés

Antoine Moueix was one of the very first Bordeaux wine houses from the right-bank. Created in Saint-Émilion in 1902, at the heart of a vineyard renowned for its fine, elegant wines, Antoine Moueix is located at Château Capet-Guillier, a prestigious Saint-Émilion Grand Cru, with a winery which was fully refurbished in 2016.

A producer only, Antoine Moueix Properties now reaches out across the entire Bordeaux region with almost 400 hectares of vineyards on the right and left banks. Twelve estates offer a wide range of varied, quality wines in the Bordeaux, Bordeaux Supérieur, Saint-Émilion GC, Médoc and Haut-Médoc (with 9 Crus Bourgeois) appellations. Amongst the Crus Bourgeois, Château Patache d'Aux is an emblematic reference of the Northern Medoc and Château Livernan is steeped in history, nestling in the heart of some of the Haut-Medoc's best soils.

Thanks to major investment in the vineyards, the winery and maturing techniques, Antoine Moueix properties has progressively improved and enhanced the wines from each estate. Wines are exported today to over 80 countries.
